

**"JUST DON'T WANT TO MAKE A
PAYMENT THIS MONTH."**

PROGRAM IS BACK.

APPLY TO SKIP YOUR NOVEMBER, DECEMBER OR JANUARY PAYMENT

We get it... the holidays are coming and this year may have been a bit challenging, financially or otherwise. Why not **give yourself a break with our Skip-A-Payment program** from MembersFirst Credit Union? Skip your November, December or January loan payments* and use those funds for something a little more exciting.

HERE'S HOW IT WORKS:

1. Complete the Skip-A-Payment Request Form.
2. Choose a payment option. (There is a \$30 processing fee for each loan payment that is skipped. The fee must be paid before your skip request will be processed.)
3. Mail, fax or deliver your form to a branch near you.

For faster processing, we suggest you fax or deliver your form to your local MembersFirst branch.

REQUESTS MUST BE RECEIVED BY:

October 23 to Skip-A-Payment in November 2020
 November 25 to Skip-A-Payment in December 2020
 December 28 to Skip-A-Payment in January 2021

It's really that simple! When your request is approved, we'll move your loan date forward by one month from your present due date. Interest on your loan will continue to accrue at the rate originally stated, and the maturity date on the loan may be affected. Your normal payment schedule will resume during the month following the one you skip.
