PLANNING CALENDAR

Savannah-Chatham County Public School System 208 Bull Street / Savannah, Georgia 31401 / 912.395.1000

Welcome to the 2021-2022 school year for Savannah-Chatham County Public Schools (SCCPSS)! We are moving FORWARD TO SCHOOL and we are happy to have each of you as our partner in this critical chapter of our community's history. Our district, the tenth (10th) largest in the state, serves more than 37,000 students in pre-kindergarten through twelfth grade. SCCPSS is home to two National Blue-Ribbon schools and two National Green-Ribbon Schools as well Dear Colleagues,

Our 5,600 dedicated staff members have a wide range of talents and skills and they give their best to our students every day. Each employee plays a valuable role in ensuring that our students have a world of possibilities open to them. It is evident that we believe in the potential of every student we serve. Despite the challenges we all faced last year and as a host of other honors. continue to face with this pandemic, we have benefited by the creativity and power of collaboration fueled by it.

The students, staff, and families of our school district are fortunate to enjoy strong community support through funding donations, strategic partnerships, and greater engagement with business and faith-based organizations. Your work and daily contributions to our school system help build greater community engagement and increased parental involvement. Each year more and more students enjoy the benefit of higher education partnerships through dual enrollment courses that give them an advanced start in collegiate endeavors, and students are gaining real world work experiences. exciting apprenticeship/internship experiences. These components and many others contribute to a successful student who is career, college, and life ready. Students leave us ready to be enlisted in the military, enrolled for further study,

Our graduation rate is still a strong indicator of our success and we are proud that in each of the past several years the Savannah-Chatham Public School System has posted significant increases that continually surpass the state average. prepared for entrepreneurship, and/or directly employable. Academic gains continued even during the pandemic due to the persistence of our staff, students, and families. We

It is our commitment to live our vision and safely maneuver through these times as we empower all students to be successful in a global society! I wish each of you a fantastic school year with our amazing students and colleagues! eagerly await our newest graduation rate statistics!

The Learning Management System (LMS)

A House of Learning! Open the door to a world of wonder!

The Savannah-Chatham County Public School System (SCCPSS) has purchased a Learning Management System (LMS)! The LMS, also known as *itsLearning*, is an online cloud-based solution that will provide parents, students, and staff a "one stop shop" for all things relating to curriculum and content management, instruction, tools for assessment and communication, and reporting and analytics. The system will integrate content to provide a seamless process for remote learning and **will be accessible via the District website**.

Students will access the LMS via their device <u>anywhere they wish</u> that has an internet connection. Simply visit sccpss.com for the log in portal. Teachers will populate the system with lessons, classroom assignments and will communicate with parents and students via messages.

Students will be immersed in group work and on solo assignments! And just like in face-to-face learning, you can "raise your hand" and ask for help on a project!

THE HOUSE THAT SAVANNAH-CHATHAM BUILT

An easy way to understand the LMS is to picture a house that comes with standard appliances and everything you need to move right in! Once you're settled, special furnishings and a custom setup can be arranged. School will have the ability to customize learning tools to fit the needs of students! Just like your house – all is in order and arranged just right! Open the door to learning with the SCCPSS online learning solution!

itsLearning was a winner in the 2019 EDTECH Awards! This instructional delivery model will help us REIMAGINE LEARNING in this brand new world of education.

COPING WITH STRESS DURING COVID- 19

It's normal to feel sad, stressed, confused, scared, or angry. Talking to people you trust can help.

Seek professional help for physical and mental health needs instead of turning to unhealthy vices to cope.

Pause. Breathe. Know you're not alone. Take note of how you feel and know many understand and can help you cope and overcome negative thoughts and emotions.

Maintain a healthy lifestyle as best as you can with proper diet, adequate sleep and exercise, and social interaction with loved ones at home or online.

Lessen the time you and your family spend watching or listening to media coverage of news that you find upsetting.
